So sorry! I just got out of a meeting with our finance department that ran over. Any chance you are still available or should I try tomorrow? My apologies, this week has been a blur so far.

Hi, sorry for the delay! Got your voicemail. Would a call between 4 and 4:30 work?

Hi Kristen, I think our meeting yesterday went well with the owner's rep. I am out of the office this am but will be driving back this afternoon. Would it work to give you a call then perhaps?
